

may be granted. Thus, the provisions of section 6863(a), relating to bonds to stay collection of jeopardy assessments, shall not apply to the collection of certified amounts.

(5) *Priority of liens.* A lien for a certified amount shall be valid as against a lien for taxes imposed by section 6321 only if the date of assessment of the certified amount precedes the date of assessment of the taxes. However, no amount collected by levy upon property described in paragraph (c)(2) (i), (ii), or (iii) of this section may be applied other than in whole or partial satisfaction of certified amounts. In the case of two liens for certified amounts, the lien for the certified amount which is first assessed shall be valid as against the lien for the certified amount which is later assessed.

(6) *Statute of limitations on collections.* The periods of limitation on collection of taxes after assessment prescribed by section 6502 shall apply to the collection of certified (or recertified) amounts. Such periods of limitation with respect to a certified amount shall terminate upon recertification of the amount, and the period of limitation prescribed by section 6502 shall then apply and commence to run with respect to the recertified amount.

(d) *Review of assessments and collections—(1) Federal courts.* No court of the United States established under article I or article III of the Constitution has jurisdiction of any legal or equitable action to restrain or review the assessment or collection of certified amounts by the district director or his delegate. See, however, paragraph (d)(3) of this section for the rule that the prohibition of this paragraph (d)(1) does not preclude courts established for the District of Columbia from exercising jurisdiction over certain actions.

(2) *Secretary of the Treasury.* Neither the Secretary of the Treasury nor his delegate may subject to review the assessment or collection of certified amounts in any legal, equitable, or administrative proceeding.

(3) *State courts.* This paragraph (d) does not preclude a State court or appropriate State agency, as the case may be, from exercising jurisdiction over a legal, equitable, or administrative action against the State by an in-

dividual to determine his liability for any certified amount assessed against him and collected, or to recover any such certified amount collected, under section 6305 and this section. For purposes of the preceding sentence, the term “State” includes the District of Columbia.

(e) *Internal Revenue regional service centers.* For purposes of this section, the terms “district director or his delegate” and “district director” include the director of the Internal Revenue service center or his delegate, as the case may be.

(2) *Liability of financial institutions and others.* If any certified, treasurer's, or cashier's check, or other guaranteed

draft, or money order, is not duly paid, the United States shall have a lien for the amount of such check or draft upon all assets of the financial institution on which drawn, or for the amount of such money order upon the assets of the issuer thereof. The unpaid amount shall be paid out of such assets in preference to any other claims against such financial institution or issuer except the necessary costs and expenses of administration and the reimbursement of the United States for the amount expended in the redemption of the circulating notes of such financial institution. In addition, the Government has the right to exact payment from the person required to make the payment.

(c) *Payment in nonconvertible foreign currency.* For rules relating to payment of income taxes and taxes under the Federal Insurance Contributions Act in nonconvertible foreign currency, see section 6316 and the regulations thereunder.
